# PINK PANTHER™

Happy Free Comic Book Day! Right now you are surrounded by fans who are all celebrating the joy and diversity of comics. And everyone here at American Mythology is pleased to be bringing you the return of one of the coolest cats ever - The Pink Panther! If you are new to the adventures of Pink, you are in for a real treat. There was a time, not that long ago, when your parents were kids and they'd rush out of bed to watch The Pink Panther on TV every Saturday morning. Things were a bit different then, long before the internet, smart phones, and DVR. But what was the same was the fun they had laughing as Pink outsmarted The Little Man and seeing the colorful capers of Pink's pals unfold on the screen. We hope you will share this free comic book with your friends and family. And ask your friendly comic book store to reserve copies for you of the new Pink Panther comics coming soon!

# PINK PANTHER™

Hey there Pink-pals! Did you know that there are Pink Panther comic books from waaaaay back when your parents were little? That's right, this cool cat has been making people laugh for a loooong time! And we're going to share some of these adventures with you right here on Free Comic Book Day. This little gem is called "Pink Volcano" and it's a classic. What happens when the pinkest of panthers washes ashore on a primitive island with an angry volcano? You can be certain it's a "blast" as Pink saves the day and pulls one over on Chief Kamehamehanuikalakauahi, Jr! We're sure you'll "lava" it! Read away and have fun!
